Did you know that Algoa bay is the Bottlenose dolphin capital of the world & we are privileged to have a front row seat.

Between June & December you'll see the Humpback whales breaching & tail slapping from our front windows.

Keep an eye out for our community beach clean ups, marine projects & dog walks.

We recycle our cans, plastic & glass bottle as far as possible; please use straws sparingly.

Help keep our oceans & beaches clean.

Please pop your trash in the bin.
